SENIOR PARENT TRIBUTES

Erica Babb

Erica, Congratulations, dear daughter, on reaching this significant milestone—your senior year of dance! You are a source of immeasurable joy and pride in our lives, and we cannot wait to see the many more amazing things you'll accomplish. As you continue to spread your wings and soar, always remember that you are loved, cherished, and celebrated beyond measure.

Dad, Mom, Tommy, & Charlie—
and Scout and Chloe too!

Anice Beloy

Anice Ann, we are so proud of you and how far you've come through the years. Dance has always been your passion, and you have had to work harder than most. But your determination, strength and love of dance have always shown through. It's been amazing to watch you grow, especially this year being the Captain. Remember, Don't Suck! And I know you will always make your way.
Love, Mom and Dad

Isabelle Bradshaw

Senior year came so quickly! It has been so fun watching you grow as a student and a dancer. I'll cherish this last year and look forward to what your future holds! I love you more than you can imagine.

Love, Mom

Makenna Edstrom

Makenna—At five years old you started to dance, since then you've twirled with every chance. From Tutu's to Lulu's we've watched you shine, never once missing your scheduled time. Your passion and grit have driven you through, and all through your future they'll serve you well too. May you lead with your heart, be timely, and kind while we back you up just a few steps behind.

All our love, Mom & Tom, Dad and Brandi and Jaden and Daxon too.

Abigail Lazan

Abby, You started dancing at 2 years old and haven't stopped since! We are so proud of everything you have accomplished and know you have such a bright future ahead. We truly loved every second of watching you dance over the years!

Love you so much,
Mom and Dad

Sydney Olson

It's here—SENIOR YEAR! (And yes your mom is crying.) We couldn't be more proud of you, your hard work and your accomplishments. Keep being true to who you are, dream big and choose what makes you smile.

Love you Syd Kid -

Mom & Dad

Isabella Palkowitsh

Dear Ella,

You have been dancing through life since you were born. We are beyond proud of you. When in doubt ... turn the music UP!

We LOVE you,

Dad, Mom and Vinny

Paige Peters

Our Dearest Paige,
We are so incredibly proud of the woman you are becoming. Your grace, compassion, generosity, sassiness, and positive attitude have driven you to achieve so much and will continue to do so throughout your life. You started late in dance and knew you had to work extra hard to catch up with your peers, and you worked your butt off to achieve that. Your motto has always been since a little girl "nobody can tell me I can't do ___", and you continuously prove everyone wrong when obstacles come your way or others have said you are not able to do something. Keep pressing and becoming the woman God created you to be.

We Love You!!! - Mom and Dad

Mallory Rian

Mallory—We have enjoyed experiencing every moment of your incredible 14 year dance career right along with you. We are so proud of the wonderful person you have become. Spread your wings, fly and don't forget to dance!

“When you dance, your purpose is not to get to a certain place on the floor. It's to enjoy each step along the way.” - Wayne Dyer

Love,
Dad, Mom, Colin, & Bentley

Hannah Schulz

Pumpkin—These 13 years of watching you dance and seeing you grow into an amazing dancer has been full of pride and warmed hearts. We will miss seeing the beauty of you dance, but we look forward to seeing the beauty of your grace, strength, and your passion as you embark on your next life's journeys. We are so proud of the person and dancer you've become.

We love you!

Audrey Shepherd

Audrey, what an incredible dance ride it has been! We are so grateful for the MANY special memories you've given us watching you dance on stages, football fields, gym floors, a bowl game, and even on a beach! Your uniquely graceful style has brought us to tears so many times! It's difficult knowing this dance chapter is coming to a close but as you look to your bright future ahead, I believe dance will always be a part of you. We are so proud of all you've accomplished and feel so blessed to have shared the journey with you!
